

Consistent Themes from the Neighborhood Resident Roundtables

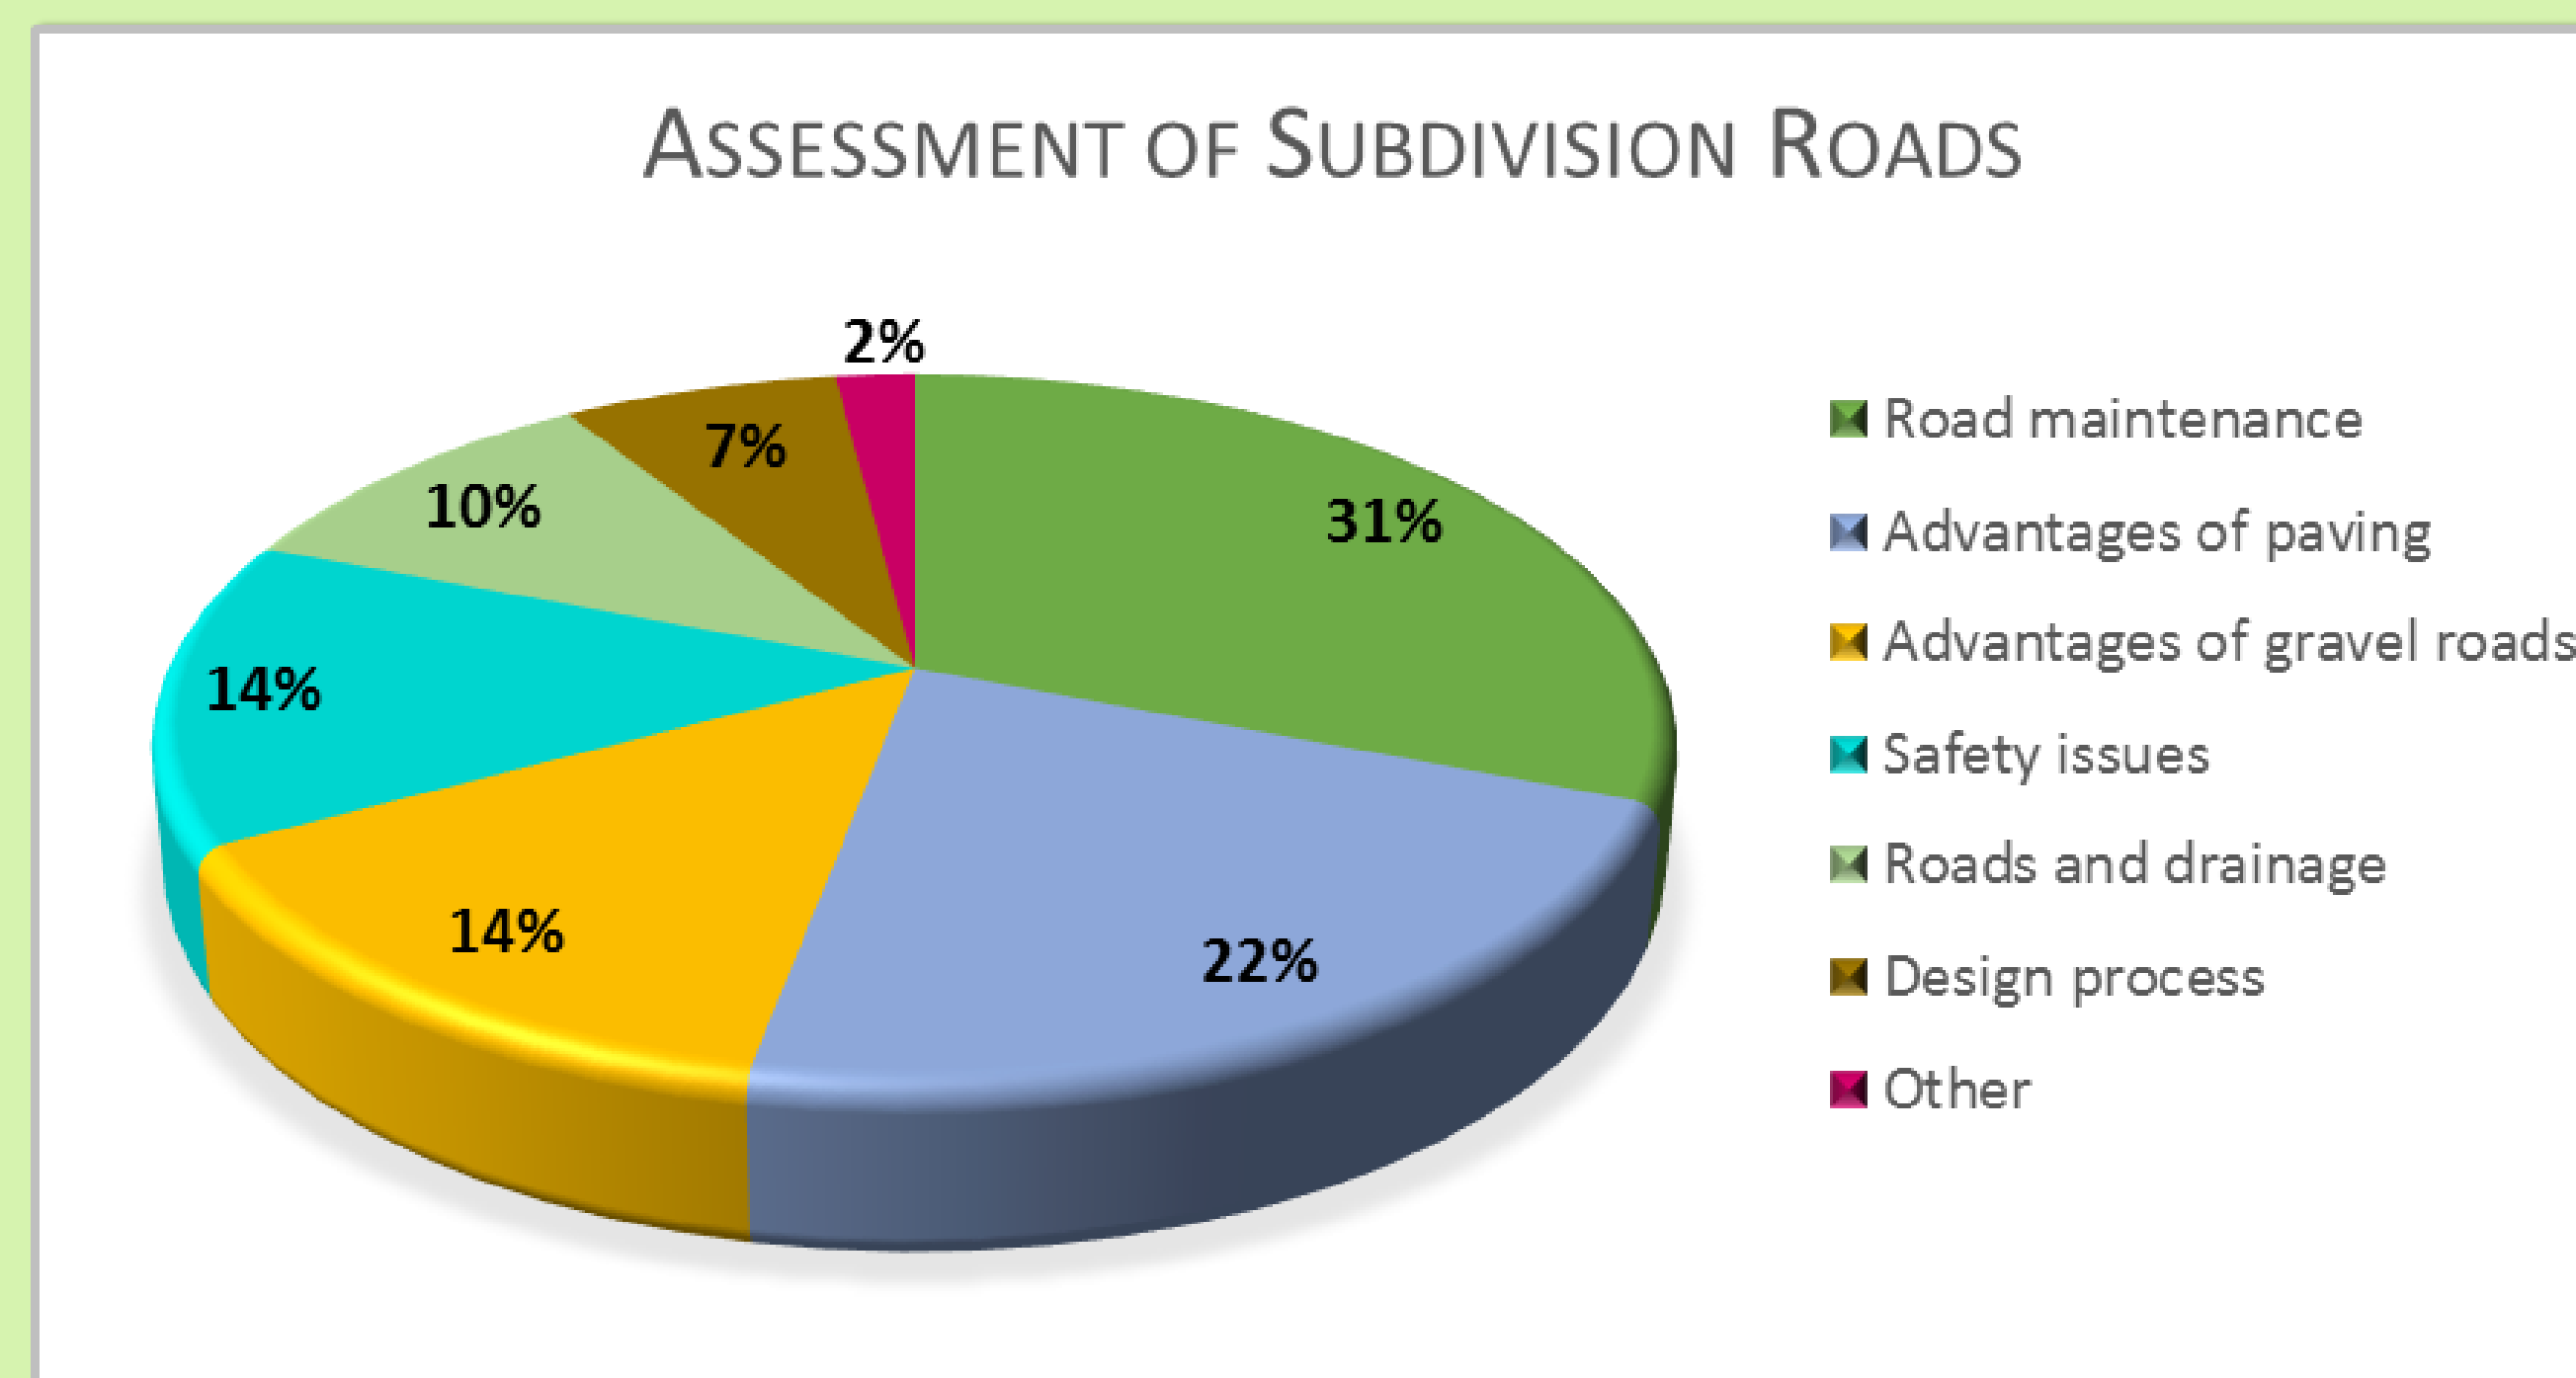

Drainage is...

- ♦ Negatively impacting private properties
- ♦ A neighborhood-wide problem that needs a comprehensive solution
- ♦ A problem because of lack of City maintenance
- ♦ Costly for property owners to fix
- ♦ Causing safety concerns

Roadways are...

- ♦ In bad shape because of a lack of maintenance
- ♦ In need of paving
- ♦ Better if they are gravel
- ♦ Causing safety issues
- ♦ Creating drainage problems

Non-motorized connections are...

- ♦ Challenging because of access issues
- ♦ Not well maintained, in some cases
- ♦ The cause of safety concerns, particularly when using the road
- ♦ Better when using a soft surface road
